This sponsorship package is your invitation to become a part of the 2024 Provincial Conference for Volunteer Engagement Professionals, the premier in-person networking event for volunteer engagement professionals, nonprofit leaders, and changemakers in Ontario, held this year in the Blue Mountains! Hosted by the Provincial Association for Volunteer Leaders-Ontario (PAVRO), this annual conference brings together leaders of volunteers from across the province, whose work and dedication to our communities result in the betterment of society for all.

We invite you to join us in our celebrations by becoming a **PAVRO LiVE 2024** conference sponsor. You want to be part of this fantastic event featuring Olympic silver medalist, leadership, change, and resilience mental health advocate, **Elizabeth Manley** and Hospice Palliative Care Consultant and presenter **Rami Shami!**

This package outlines opportunities for you, your company or organization to be represented and remembered among the thought leaders, decision-makers, and community enablers who attend our annual conference. Align your company with our conference to celebrate the trailblazers who laid the foundations of the profession in Ontario, empower today’s leaders as they revitalize volunteer engagement, and encourage tomorrow’s rising stars to continue building a province where the professional management and leadership of volunteers is respected, valued, and recognized as essential to a civic society.
